An art and design exhibition  
which conveys the connectivity  
of spaces in between

October 23–28, 2025  
Yucatán, Mexico  
RSVP only — DM for details

Featuring emerging and established artists  
from Mexico and the United States,  
exploring transformation, material memory,  
and spatial storytelling.

Participating artists and designers:

|   |                      |
|---|----------------------|
| Angela Damman                                     | Monica Rezman        |
| Astronauts  | Mutable Studio       |
| Carla Fernandez                                   | MX Atelier           |
| Christina Pierson                                 | Pajaro Amarillo      |
| <b>Edaa</b>                                       | Patricia Arnao       |
| Ente  | Peca Studios         |
